Community Eligibility Provision
Webinar Series

State & Local Education Funding: Allocations in the Absence of Application Data

Wednesday, May 20, 1-2pm EST

Description: Please join us for the next session in USDA's Community Eligibility Provision (CEP) webinar series, "State & Local Education Funding: Allocations in the Absence of Application Data." The panel discussion will include State and local officials will share their experiences allocating education funding in CEP schools (i.e., without free and reduced-price application data).

Audience: State Agencies & Local Educational Agencies

To participate in the webinar on May 20, you must pre-register.

- Pre-register at the following website: https://frac.peachnewmedia.com/store/seminar/seminar.php?seminar=40731
- You will receive an email confirmation of your registration. The email will contain your unique connection information for the webinar.

*****Save the Dates for Future CEP Webinars*****

- May 27, 1-2 pm EST: Administrative Review
- June 10, 1-2 pm EST: Successful Implementation Strategies
