Subject: SFS-15-71 Farm to School Conference – Pennington Biomedical
Research Center

The LSU AgCenter is pleased to announce that they will be hosting the first statewide **Louisiana Farm to School** conference, designed to bring together school administrators, teachers and parents, child nutrition professionals, farmers, food distributors and others involved with Louisiana agriculture, school gardens and healthy school meals. The conference will center on education, gardening and procurement and provide technical assistance in areas such as local food procurement, food and garden safety, culinary education and incorporating curricula into existing core classes.

There is no charge for the conference, which will be held Wednesday, May 27, 2015 in Baton Rouge, at the Pennington Biomedical Research Center.

May 27th, 2015

8am - 4pm

Pennington Biomedical Research Center

C.B. Pennington Conference Center

6400 Perkins Road

Baton Rouge, LA 70808

Pre-Register: <https://laf2sconference2015.eventbrite.com>

Farm to School Programs help schools respond to the growing demand for locally sourced foods and increase marketing opportunities for producers and food businesses (food processors, manufacturers and distributors) and support nutrition education such as school gardens, field trips to local farms and cooking classes.

Make sure to attend the first ever Louisiana Farm to School Conference!
