Subject: SFS-15-x125 Refund of Commodity Storage Fees to SFAs

The Louisiana Department of Education will be issuing 100% refunds of the brown box assessment fees. What this means is that the assessment fees charged by the Louisiana Department of Agriculture and Forestry Food Distribution Program for 2014-2015 will be refunded to all SFAs who were charged the fee. These funds are coming from the Louisiana Department of Education and are being issued starting 9/15/2015 through 9/18/2015. If you have any questions concerning these funds and/or payments, please contact Tameca Jeanpierre at 225-342-3836 or tameca.jeanpierre@la.gov.
