Subject: SFSP-15-03 Family-Style Meal Service at Closed-Enrolled Sites

Beginning summer 2015, FNS is extending the option of family meal service in camps to include **closed enrolled sites** in the Summer Food Service Program (SFSP) and the National School Lunch Program's (NSLP) Seamless Summer Option (SSO). By definition, a closed enrolled site means a site open only to enrolled children, as opposed to the community at large. They also provide a stable environment for enrolled children and thereby are an appropriate setting for family style meal service.

SFSP organizations with closed enrolled sites wishing to apply for this waiver, must do so by submitting a request to the Louisiana Department of Education in writing prior to implementing. For more information, please refer to memo USDA memo SFSP 05-2015.
