---

Preliminary results of the 2015 Farm to School Census tell us that more than 1,700 school districts don't yet have farm to school programs but are interested in starting one. We're here to help!

**Target Audience:** Schools, school districts, State Agencies, non-profits, Indian Tribal Organizations interested in farm to school.

**Description:** Through this series, we'll guide participants through the [USDA Farm to School Planning Toolkit](#). Served up in bite-sized 30 minute webinars, we'll offer questions to consider and helpful resources to reference when starting or growing a farm to school program.

**Registration Details:** <http://www.fns.usda.gov/farmentoschool/videos-and-webinars>. All webinars will be recorded and posted to this website.
