Subject: SFS-16-65 Notification to State Agency LDOE of School Closures

USDA is requesting a list of schools impacted by the weather / flooding events in Louisiana. If your school system has been impacted, please provide the following information to LDOE/Division of Nutrition Support:

- School closures – list by school name (include past/current/anticipated dates of closure[s])
- Approximate value of food losses, if applicable
- Any other significant damages

This information can be submitted to LDOE/DNS by email to Toya Porter at toya.porter@la.gov or by fax to 225-342-3305 at the attention of Toya Porter.
