Subject: SFS-16-69 Team Up for School Nutrition Success Training Opportunity

You are invited to attend Louisiana's first ***Team Up for School Nutrition Success*** training opportunity. Team Up for School Nutrition Success is an initiative of USDA and the Institute of Child Nutrition (ICN), to offer a unique learning experience that serves to enhance schools' food operations by providing tailored technical assistance to school nutrition programs that want to maintain a healthy environment and student meal program participation. This workshop will pair participants with a mentor so that effective peer-to-peer mentoring is provided in a variety of areas. The workshop will include panel discussions of creative solutions for implementing the regulations and possibly some specific training.

The workshop will take place on **Tuesday, April 26, 2016, from 8:00 a.m. to 5:00 p.m.**, at the Pennington Biomedical Research Center (PBRC) Conference Facility in Baton Rouge. A registration fee of \$30.00 is required and may be paid the morning of the workshop. Below is a link to the registration form.

The link also contains:

- Additional information regarding the Team Up model
- The workshop agenda
- The Team Up Participant Webinar. It is recommended that you watch the webinar prior to attending the workshop.
- The Team Up Workbook (Please note that the workbook will be provided on the day of the workshop.)
- A list of hotels near the workshop facility
- A map of PBRC

Registration is limited to 36 participants.

Please contact Melissa Campbell at (225) 219-4624 or melissa.campbell@la.gov with any questions.
