On Tuesday, April 26, 2016, Pilgrim's Pride Corporation expanded their April 7, 2016 commercial recall of fully cooked breaded chicken nugget products due to possible contamination with extraneous materials. This expanded recall now includes products associated with extraneous material contamination that were produced on various dates between Aug. 21, 2014 to March 1, 2016. These items were shipped for institutional use nationwide. According to Pilgrim's Pride records, schools have purchased products through the company's commercial channels. For questions about this expanded recall, contact James Brown, Pilgrim's Pride Consumer Relations Manager, at [\(800\) 321-1470](tel:8003211470). FSIS routinely conducts recall effectiveness check visits to verify that recalling firms notify their customers of the recall and that steps are taken to make certain that the product is no longer available to consumers.

The press release announcing this recall appears below this message. More information about this commercial recall and for details about the affected products can be found at [www.fsis.usda.gov/recalls](http://www.fsis.usda.gov/recalls).

On April 7, 2016, Pilgrim’s Pride Corp recalled approximately 40,780 pounds of fully cooked chicken nuggets produced on Oct. 5, 2015. The following product is subject to recall:

20-lb. cardboard boxes containing two, 10-lb. clear plastic bags of fully cooked chicken nuggets labeled as “GOLD KIST FARMS Fully Cooked Whole Grain Popcorn Style Chicken Patty Fritters” with package codes [5278105021](#), [5278105022](#), [5278105023](#), [5278105000](#), and [5278105001](#).

The products subject to recall bears establishment number “EST. 20728” inside the USDA mark of inspection. These items were shipped for institutional use nationwide. According to Pilgrim’s Pride Corp. records, schools have purchased products through the company’s commercial channels.

The problem was first discovered after the firm received several consumer complaints regarding plastic contamination of the chicken nuggets. The firm notified FSIS personnel of the issue on April 6, 2016. FSIS personnel identified more affected product types and dates of production after investigating additional consumer complaints of foreign material contamination received by the recalling firm.

There have been no confirmed reports of adverse reactions due to consumption of these products. Anyone concerned about an injury or illness should contact a healthcare provider.

Consumers who have purchased the recalled products are urged not to consume them. These products should be thrown away or returned to the place of purchase.

FSIS routinely conducts recall effectiveness checks to verify recalling firms notify their customers of the recall and that steps are taken to make certain that the products are no longer available to consumers. When available, the retail distribution list(s) will be posted on the FSIS website at [www.fsis.usda.gov/recalls](http://www.fsis.usda.gov/recalls).

Consumers with questions about the recall can contact James Brown, Consumer Relations Manager, at [\(800\) 321-1470](tel:8003211470). Media with questions about the recall can contact Cameron Bruett, Head of Corporate Affairs, at [\(970\) 506-7801](tel:9705067801).
