Please be reminded that there are still two (2) training opportunities available for Summer Food Service Program (SFSP) sponsors to attend. The target audience of these training sessions is administrative-level SFSP staff members.

Training dates are as follows:

- April 2-3, 2018 – for both prospective new and returning/experienced SFSP sponsors
- May 8-9, 2018 – for returning/experienced sponsors

To register for one of the training sessions referenced above, please visit the LA Fit Kids website at: www.louisianafitkids.com .

From the LA Fit Kids Home Page, click on Meeting Registration. Locate the session that you are interested in attending and access the “registration” button located below that session. Once the registration button is selected, please ensure that you complete all fields requested on this page. If you wish for multiple staff to attend from your organization, the registration form will need to be completed and submitted once per staff member.

An agenda is also available for downloading and viewing/printing for each of the remaining SFSP Workshops. The agenda is located directly next to the “registration” button.

Attendees may wish to bring a laptop, along with a notepad and pen/pencil to the SFSP Training Workshop. Menu planning activities will be provided during the session and those who wish to navigate the Online Food Buying Guide, along with the state agency speaker, will wish to have a laptop available.
