**Title:** Using the Nondiscrimination Statement in Child Nutrition Programs: Where, When, Why, and How?

**Description:** Each year thousands of Child Nutrition Programs applications, verification documents, and questions about lunch balances are sent in error to the Office of the Assistant Secretary for Civil Rights. These misdirected materials and questions slow down the review of applications for schools and childcare facilities and can cause confusion for families. This webinar will help State agencies and local Program operators learn where and when to use the appropriate Nondiscrimination Statement, as well as which version of the statement must be used to be compliant with Program regulations. The goal of this webinar is to improve customer service by clarifying the proper use of the Nondiscrimination Statement and clarify for families where to send completed applications, verification materials, and questions about account balances. We will provide several examples and answer questions at the end of the webinar.

**Target Audience:** State agencies and local Program operators.
