Subject: New Process to Register for LDOE Zoom Trainings

The LDOE Division of Nutrition Support is transitioning back to our partnership with Pennington and the Louisiana Fit Kids website for trainings. Starting with the Food Service Management Contracts training on January 28, 2021, trainings will be hosted on the LA Fit Kids zoom platform.

You will need to register via www.LouisianaFitKids.com in order to attend the training. Click on the calendar feature to view the trainings scheduled for the next few weeks. There, you will be able to see the agenda and learning needs codes you will be able to earn for your professional standards hours. After registering, you will receive a confirmation email with a calendar reminder that contains the zoom link. After the training, you will receive a survey/evaluation via the email address on file from registration. Once you confirm you attended the training via the survey, you will receive a confirmation of attendance to maintain for your Professional Standards records.

Please be reminded that CNR trainings are separate and hosted on their own website platform at www.cnrlearning.com
